ILD EXPERTISECENTRUM

PROGRAM:

MORNING: SYSTEMIC DISEASES ILD

- Chairs: *Marian Quanjel, MD, pulmonologist St. Antonius ILD Center of Excellence*
Renske Vorselaars MD, PhD, pulmonologist UMCUtrecht
- 08.45-09.25 **Registration**
- 09.25-09.30 **Opening**
Miranda Geelhoed MD, PhD, Head Tertiary Center for pulmonary diseases
- 09.30-10.00 **Immunological basis and pathophysiology of autoimmune diseases**
Helen Leavis, MD, PhD, professor of clinical immunology UMC Utrecht
- 10.00-10.40 **New insights and new EULAR guidelines for ILD in systemic disease**
Anna-Maria Hoffmann-Vold MD, PhD, professor of rheumatology University of Zürich, Head of fibroinflammatory research, Oslo University Hospital
- 10.40-11.00 **Coffee / Tea break**
- 11.00-11.40 **Treatment of fibrotic ILD in systemic disease**
Jan Grutters, MD, PhD, professor ILD UMCUtrecht, pulmonologist St. Antonius ILD Center of Excellence
- 11.40-12.30 **Multidisciplinary consultation, case presented by**
Frouke van Beek MD, pulmonologist St. Antonius ILD Center of Excellence,
Lucianne Langezaal MD, radiologist St. Antonius ILD Center of Excellence,
Matthijs van Oosterhout MD, PhD, pathologist St. Antonius ILD Center of Excellence
- 12.30-14.00 **Lunch**

AFTERNOON: PROGRESSIVE PULMONARY FIBROSIS

- Chairs: *Bekir Karakaya MD, pulmonologist St. Antonius ILD Center of Excellence*
Thomas Koudstaal MD, PhD, pulmonologist Erasmus MC ILD Center of Excellence
- 14.00-14.30 **Telomere biology disorders: now and the future ahead**
Coline van Moorsel PhD, Head ILD Research St. Antonius ILD Center of Excellence
- 14.30-15.10 **Progressive pulmonary fibrosis: what is new in 2026?**
Elisabetta Renzoni MD, PhD, professor of practice (respiratory medicine)
Royal Brompton and Harefield Hospitals, London
- 15.10-15.40 **Pro/con Hypersensitivity Pneumonitis: immunosuppression versus antifibrotics**
Wim Wuyts, MD, PhD, professor ILD and pulmonologist UZ Leuven
Marcel Veltkamp MD, PhD, pulmonologist St. Antonius ILD Center of Excellence and UMCUtrecht
- 15.40-16.00 **Wrap up, take home messages**
Bekir Karakaya MD, pulmonologist, St. Antonius ILD Center of Excellence
